## CITY NEWS - SPRING 2014

### **CITY LAUNCHES "TORRANCE VOTES" ETHICS PROGRAM**

Engaged voters are a foundation of democracy. To promote even more involved voters, the Mayor and City Council recently approved the next generation in the City's already active ethic programs. Focused on the upcoming June 3rd municipal elections, the Torrance Votes program will engage the public more robustly in considering their next Mayor, four Council Members, the City Clerk, and City Treasurer.

The City of Torrance has a long history of ethics programs to increase the caliber of public service, such as CORE training for municipal employees and campaign finance reform measures. The most recent Blue Ribbon committee and two previous ethics-related committees provided a forum for the discussion of common ideologies that reflect the expectations of the Torrance community. The tenets of the Ethics Policy for Candidates for Elective Office focus on the goals to be responsible, be honest and trustworthy, be respectful and be transparent.

These principles will be complimented by an aggressive Torrance Votes community outreach program. Torrance Votes is neutral, impartial and non-partisan. It does not direct voters for whom or how they should cast their ballots. Rather, the program focuses on how the public can be more educated about candidates and local politics, while respecting the right of each person to their own unique political, ethical, and moral ideology.

An element of the Torrance Votes program is the Ethics Training for Candidates for Elective Office. This voluntary training session will help share expectations and best practices for candidates and campaign teams. Other key elements of the Torrance Votes program will focus on offering voters some handy tips regarding how to research candidates. For example, skills to assess candidate ideologies, review campaign brochures and determine fundraising sources.

If you're interested, keep an eye out for Torrance Votes brochures mailed to each household, utility bill inserts and advertisements in local newspapers. A series of video shorts on CitiCABLE 3, a social media presence and a dedicated Torrance Votes website ([www.TorranceVotes.Org](http://www.TorranceVotes.Org)) will provide additional information.

Remember, the voter registration deadline for the upcoming municipal election is May 19, 2014. The polls are open on Election Day, June 3rd from 7 AM to 8 PM. And, a reminder that vote-by-mail ballots must be received by the Registrar of Voters or a polling location by the close of the polls on Election Day. For more information, please contact the City Clerk's Office at (310) 618-2870.

### **STUDENTS AND GOVERNMENT DAY – MAY 6, 2014**

The City of Torrance announces this year's Students and Government Day; a program now in its eighth year is geared toward 8th graders who attend public and private schools in the city of Torrance. Students and Government Day is a great opportunity for students to gain an understanding of local government. Students that participate will become a more informed and involved citizen and future voter. It also exposes students to a possible career choice of public service. To participate, 8th grade students must neatly write or type a 100 - 150 word essay on the topic: The foundation of the American political system is citizen participation. Within the City of Torrance, our Mayor's focus has been on active citizen participation through volunteering and helping in our community helping in our community. This is called "paying it forward." Describe one project that you would develop and complete to "pay it forward" and explain how this would benefit our community. Essays must be submitted to the respective social studies teacher by February 11, 2014. Forms are available at [www.TorranceCA.Gov/Students.htm](http://www.TorranceCA.Gov/Students.htm).

Among those who submitted essays, 21 students will be invited to participate in a variety of activities, including job shadowing elected

officials or city management staff for the afternoon and opening an actual City Council meeting.

While this program is geared for 8th graders, the City encourages all students to continue learning about local government and how they can help serve our community. For more information on the Students and Government Day, please visit [www.TorranceCA.Gov/Students.htm](http://www.TorranceCA.Gov/Students.htm) or contact the City Manager's Office at (310) 618-5880.
